HERE'S WHAT WE'LL COVER!

8:45 a.m. "DECIDING WHO'S ELIGIBLE FOR UI BENEFITS" This topic provides an overview of the primary issues which can affect employee UI eligibility and employer liability. Among the topics discussed are discharges, quits, offers of work, work available, and how the terms "able to work" and "available for work" are defined by UI. This is an opportunity to ask, and get answers to, questions about how and why UI benefits are paid.

10:15 a.m. "YOU BE THE UNEMPLOYMENT INSURANCE JUDGE" This review of actual contested UI case summaries allows those in the audience to decide how they would rule if they were the Administrative Law Judge in these cases involving discharges, quits, suspensions due to physical conditions, and miscellaneous specialty areas. Cases chosen and session led by an experienced UI Administrative Law Judge.

12:30 p.m. "HOW TO CONDUCT A LABOR STANDARDS SELF-AUDIT" explains how employers can conduct a "self-audit" to assess their current compliance with various state labor standards laws. Includes information about the Labor Standards Bureau's wage claims process and audits, including potential penalties that can be assessed against employers. Other topics covered include an explanation of time and payroll record-keeping requirements of state law and suggestions as to how employers should document their fringe benefit, work rules and disciplinary action policies, when wages must be regularly paid and upon termination and deductions from wages and penalties.

2:00 p.m. "FAIR EMPLOYMENT OF PERSONS WITH DISABILITIES" Provides a summary of the main provisions of the Wisconsin Fair Employment Law relating to persons with disabilities. Discusses the law's requirements for "reasonable accommodation" for persons with disabilities and the interactive accommodation process. Identifies key differences between the WFEL and Title 1 of the Americans with Disabilities Act (ADA). Speakers use case law to illustrate concepts.

IS THIS YOUR FIRST CLINIC?

THIS DAY LONG CLINIC will include speakers from the Unemployment Insurance and Equal Rights Divisions with detailed information and practical guidance to help employers avoid violating state laws and rules in the topic areas on the Clinic agenda. This educational program contains information that will help employers prepare for state agency hearings and other administrative proceedings, if they become necessary. There will be ample opportunities to ask questions of the presenters, all of who are experts in the laws and programs of which they speak.
